David LaChapelle

David LaChapelle was born in Connecticut in 1969. He trained as a fine artist at North Carolina School of the Arts before moving to New York. Upon his arrival LaChapelle enrolled in both the Arts Student League and the School of Visual Arts. Working as a bus boy at Studio 54 served as his introduction to Andy Warhol who offered him his first professional job shooting for Interview magazine.

Recently ranked among the top ten “Most Important People in Photography” in the world by American Photo, he has continued to garner numerous award’s.
