- NOTES:
01. Add "Sign In" and "Register" links to simplified header.
- If a user clicks "Sign In" and "Register" from this page, then after successfully signing in or completing their registration the user is moved forward in the Checkout.
02. On click of "Register and Checkout," a user is taken to the "Registration" page (<https://secure.gettyimages.com/register>).
- After successfully completing their registration, a user is moved forward in the Checkout.
03. On page load focus is automatically given to the "Username" field.
04. After a user enters their information in the "Username" and "Password" field, the "Sign In and Checkout" button becomes active.
- On click of "Sign In and Checkout," if a user's information is valid, then the user is moved forward in the Checkout.
05. "Username" and "Password" links open the appropriate pages in a new browser tab.
06. A user's file's selection(s) and price breakdown is shown.
07. "Purchase Details" is anchored, remaining in place as a user scrolls.
08. On click of "Edit Cart," a user is returned to their Shopping Cart with their files and selections remembered.
09. Royalty-free photo.
10. Royalty-free vector illustration.
11. Add phone number information and "Terms of Use" link (<http://www.gettyimages.com/Corporate/Terms.aspx>).
- All links in the footer should open in a new browser tab.
