

We have helped over *one million people* with their decision making process.

Now we want to help you! We'll tell you the best schools to enroll in. It is *free* and takes seconds.

Our matching tool can help you find the best possible school and program for your goals.

Just 3 easy steps and you'll be on your way:

1. Tell us about yourself. Let us know the degree and program you want to pursue.
2. Research and receive information from the school that offers the perfect match for your goals.
3. Get free information from other accredited schools (optional).

By using our tool, you will be asked a series of short and simple questions that will help us guide you to your perfect match. You will then be given the ability to pick and choose from which School you'd like to receive information. The process is fast and easy, get started today!

-The EarnMyDegree Team

Getting information about schools is easy using our selection tool!

Please tell us what you are interested in studying:

What are you interested in studying?

Choose an area of study

What degree level are you interested in?

Choose a degree level
